

FAST FIX™ PROGRAM

RESPONSIVE, RELIABLE KITCHEN EQUIPMENT SERVICE THAT'S ON CALL 24/7.

We know how it goes. You can do your best to take care of your kitchen equipment. Monitor it for signs of unusual wear or weak performance. Pamper it with the best preventive maintenance (the kind we offer at Ecolab Equipment Care). And still get a sudden unexpected equipment breakdown.

That's why we offer Fast Fix.™ It's our sensible safety net, the one option that's always available right now when the real world catches up to your best laid plans.

FAST FIX™ IS THE ONE SERVICE TO CALL FOR FAST RELIEF FROM UNEXPECTED EQUIPMENT BREAKDOWNS.

Here's how Fast Fix works.

- Repairs for all types of equipment - hot side, cold side and warewashing equipment.
- Simple billing - parts, labor and trip rates.
- Follow up within 48 hours to ensure complete satisfaction.

You'll like these responsive Fast Fix features.

- *Quick Repairs:* Technicians come when you call, 24/7, and get your equipment working again as soon as possible.
- *GPS Dispatched:* State-of-the-art GPS technology dispatches service vehicles to ensure immediate response.
- *Service Guaranteed:* 30-day labor and 90-day parts.
- *Fits Your Budget:* Fast Fix is a pay-per-use service so you only pay for what you need.

Value that you can count on time after time.

- *Money-Saving:* Save up to 10 percent over the cost of a normal repair call.*
- *Time-Saving:* Faster response, efficient repairs reduce costly down time.
- *Experienced Techs:* Average 10 years of experience, faster at finding and fixing trouble.
- *Large Parts Inventory:* Over \$40 million in parts from major manufacturers.

*Comparison versus CFESA 2005 Profit Survey, August 2005
